El Paso County Development Services Department: 719-520-6300

The El Paso County Development Services Department reviews planning petitions and makes recommendations to the Board of County Commissioners on land use requests, and prepares a master plan for unincorporated areas of the county.

Note they also:

- Ensure that properties maintain compliance with the zoning regulations and applicable county ordinances

- Monitor previous land use approvals to maintain compliance with the approvals
- Respond to citizen complaints and inquiries from other jurisdictions and departments
